Membership in the Autumn Leaf Society is a special distinction for individuals who notify Hosparus Health that they have made provisions in their estate plans to include support for the organization. To recognize these special friends of Hosparus Health who make such a provision, we have formed the Autumn Leaf Society. If you are interested in the Society, please call 502-719-4117.
Since 1978, Hosparus Health, a fully accredited not-for-profit hospice and palliative care organization, has provided medical care, grief counseling, pain management and much more for people facing serious and life-limiting illnesses in Kentucky and Indiana.
