# HOSPARUS HEALTH®

## Did you know?

- One of the **first hospice organizations** in the country, established more than 40 years ago by volunteers.
- Hospirus Health is one of the **largest not-for-profit, community-based hospice** providers in the U.S.
- Named a **Best Places to Work for 2019** by *Modern Healthcare*, the only company from Kentucky to be named to this prestigious national list.
- One of the largest teams of **Board Certified Hospice & Palliative Medicine Doctors and Nurse Practitioners** in the country.
- Every patient has a **local, compassionate Care Team** that includes a physician, nurse practitioner, nurse, social worker, chaplains, CNA, counselor and volunteer.
- Hospirus Health offers **grief counseling services** at no cost, for loved ones up to 13 months after a loss.
- **Accredited by The Joint Commission** – the gold standard for excellence in healthcare, ensuring the highest safety and quality standards for our patients and their families.
- Cares for **96% of our patients wherever they call home**, including private residences and nursing and assisted living facilities.
- One of the first hospices in the nation to see **pediatric patients**, starting back in 1980. Our Kourageous Kids program is the only one in Indiana and Kentucky providing hospice and palliative care for kids.
